THE DECIDER SKILLS (TWO DAY) WORKSHOP

Trusts and organisations are welcome to contact us to arrange a workshop

DAY 1: We introduce the development and evidence base of The Decider and The Lifejacket Metaphor. Didactic presentations, fun and memorable demonstrations, role play, skills practice, clinical discussions.

DAY 2: We continue to demonstrate the 32 skills. Time is given for reflection and discussion as to how clinicians can use The Decider Skills effectively within their professional practice in groups or with individual clients. Inevitably, participants find themselves using the skills in their own personal lives too.

We come to you to deliver the training. *You must provide the teaching room, projector, audio/speakers, whiteboard and all refreshments. Costs are calculated per 40 delegates. We provide 40 manuals for each 2 day workshop.*

Cost

THE DECIDER LIFE SKILLS (ONE DAY) WORKSHOP

This ONE day workshop is a theoretical introductory presentation, demonstration of all 12 skills and the opportunity for delegates to practise teaching the skills. Throughout the workshop, we use demonstrations, props, role play, music, visuals and lots of humour!

The workshop is different; fun, creative and innovative.

We demonstrate how you can use the skills effectively in groups or with individuals. Inevitably, participants will also find themselves using the skills in their own personal lives.

We come to you to deliver the training. *You must provide the teaching room, projector, audio/speakers, whiteboard and all refreshments. Costs are calculated per 40 delegates. We provide 40 manuals and 40 handbooks for each 1 day workshop.*
